WELCOME TO HERITAGE AUCKLAND

PRESTIGIOUS HOTEL WITH RICH HISTORY.

The ideal hotel for families and business travellers alike, Heritage Auckland is set within one of the most recognisable historic landmark buildings, the iconic Farmers Department store.

Heritage Auckland includes two distinctive accommodation wings. Both offer everything you need to feel at home during your stay, and

provide a level of comfort that sets it apart from other Auckland hotels.

Heritage Auckland is perfectly positioned overlooking the sparkling Waitemata Harbour and Viaduct Basin. The hotel boasts a roof top pool with a magnificent panoramic view of the harbour.

Situated within the heart of Auckland's business district, Heritage Auckland is within walking distance of the cities' many attractions including the Sky Tower, Queen Street shops and the vibrant viaduct waterfront.

THE AUCKLAND REGION

Positioned on the Waitemata Harbour, with world class waterfront areas, a pedestrian friendly CBD, a diverse culinary scene and exceptional natural beauty, Auckland has become one of the most vibrant cities in the South Pacific. New Zealand's largest city and

commercial hub is packed with amazing restaurants, bars, cafes and parks, and world class attractions, including a vibrant art scene and most of which are easily accessed from the CBD. The result is a city that can cater for couples and friends, families, or conferences

and events with style; a city suited to the cosmopolitan types yet also the action seeking or outdoorsy, a city that has just as much to offer the visitor from other parts of NZ as the overseas tourist.

GETTING HERE

TEAM BONDING CONFERENCE ACTIVITIES

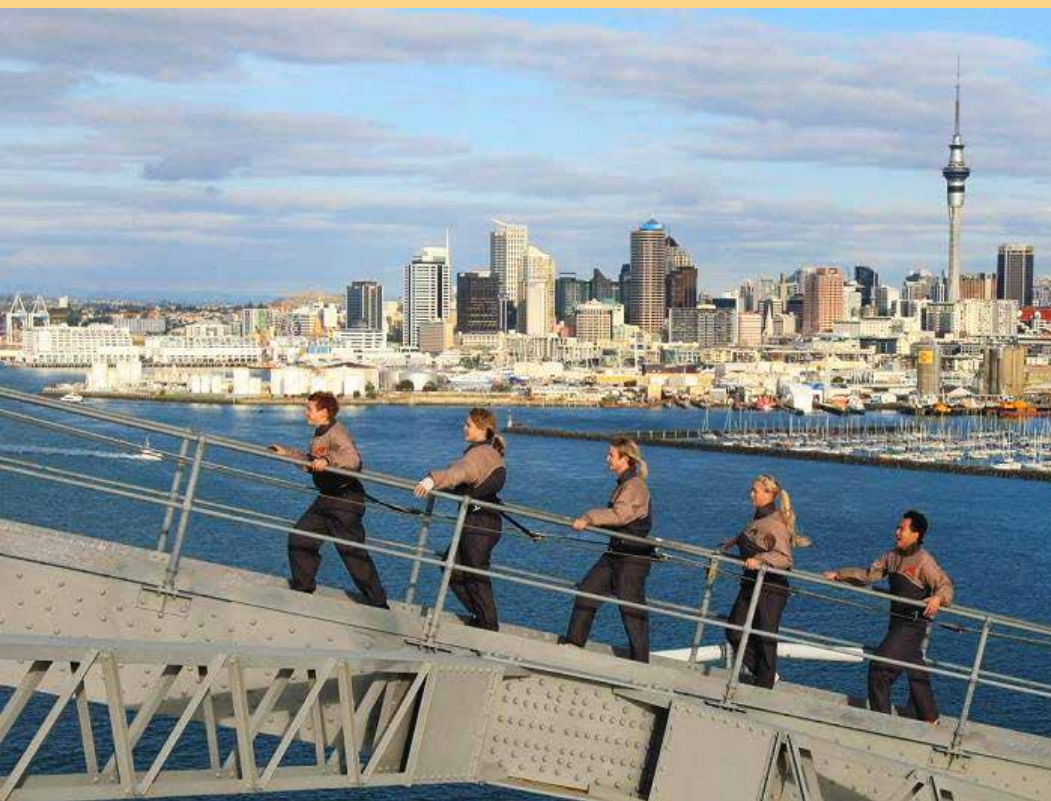

The number of possible team activities located in Auckland's CBD is growing every year and will suit a wide range of interests, ages and physical abilities.

Gone are the days of trust falls and running through the city participating in scavenger hunts, team building is about generating group enthusiasm and a sense of purpose for all those involved, while also having the wow factor that will keep your delegates talking about it around the water cooler for weeks to come.

Whether you are looking for an opportunity to lock the team away in a real life escape game, enjoy a cooking challenge with a Master Chef, or something more physical like climb over the Harbour Bridge or a sailing on an ex-America's Cup yacht as the crew, central Auckland has a wide range of activities.

Alternatively if you are looking for something more community based there are a number of organisations that Heritage partners with where your team can give back to its community. These range from building bicycles for children to cooking for a special group.

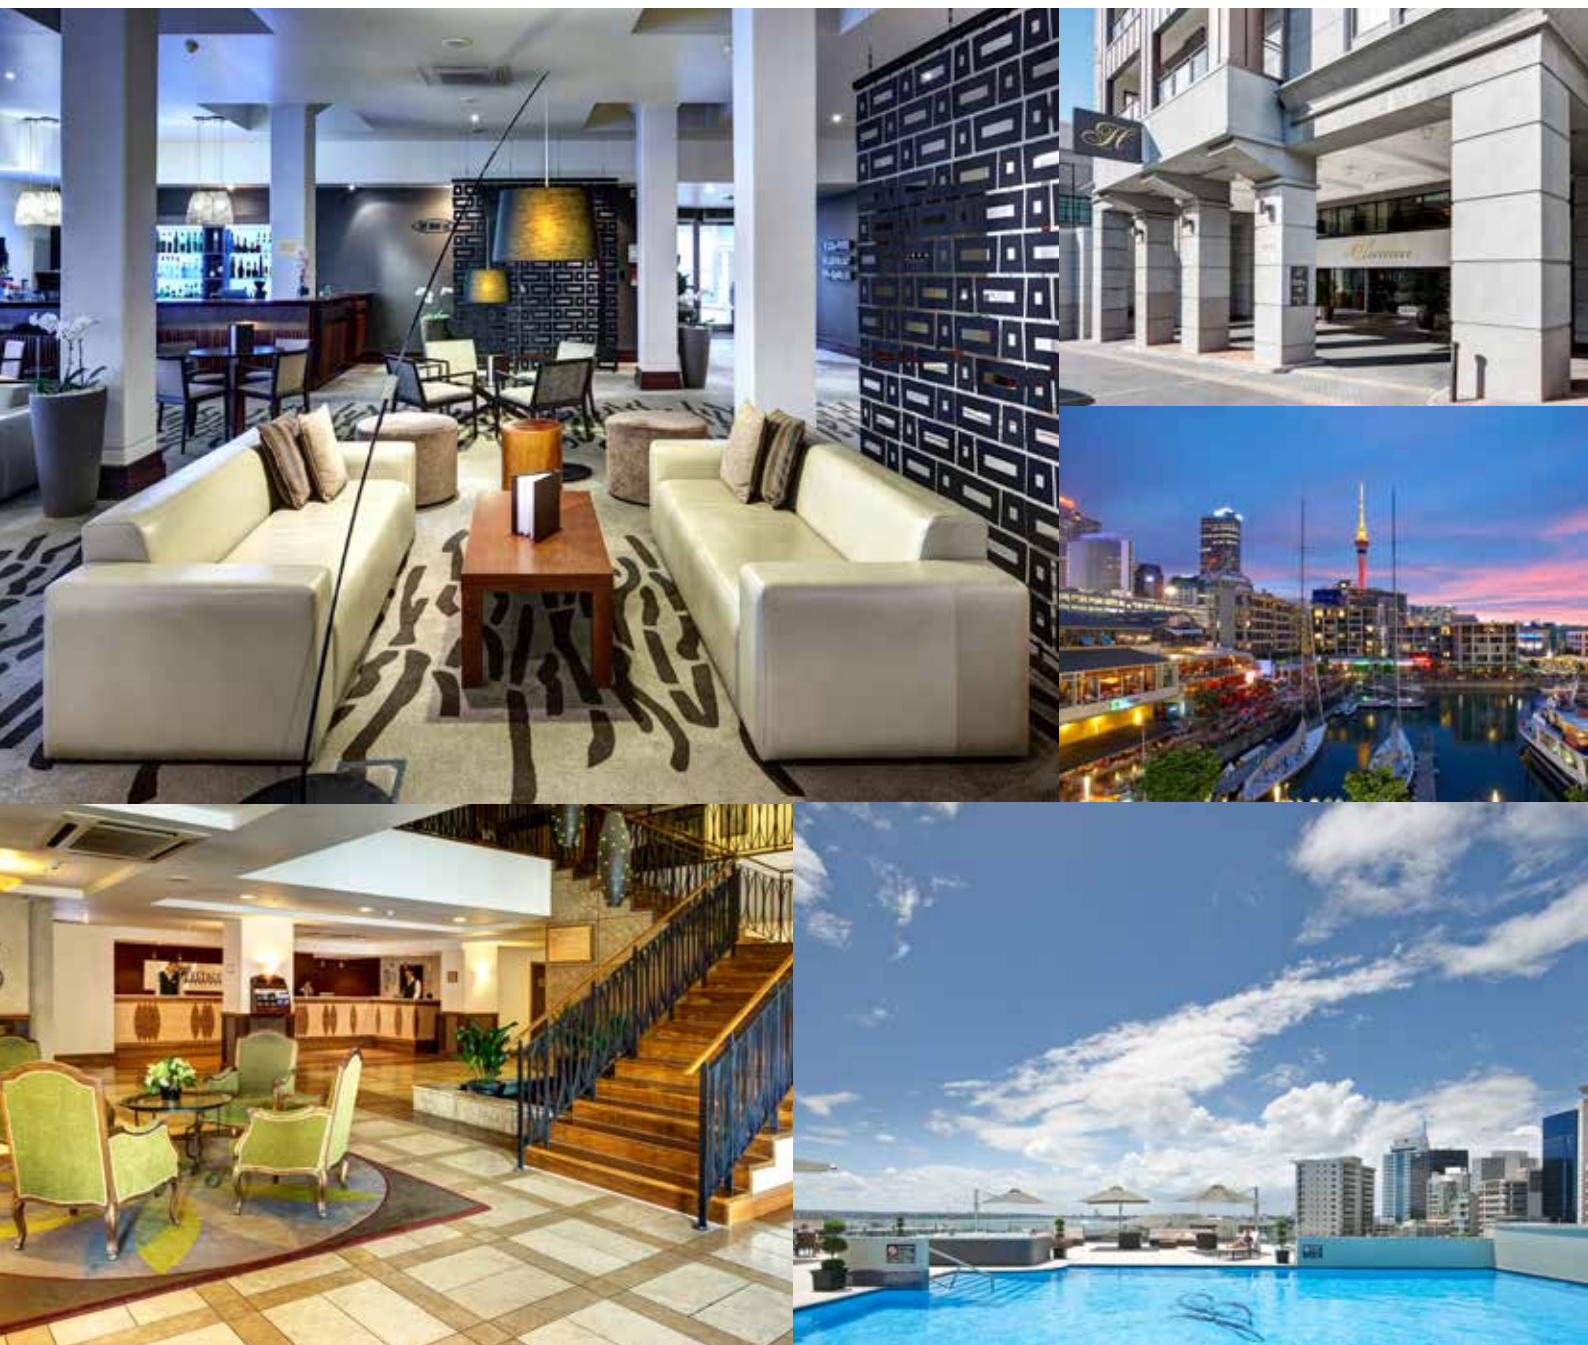

If time permits, moving your team out of the CBD increases the activity options. There are a number of wildlife encounters available, riding cycle trails, golf and the local wineries all within an hour drive from the hotel. Alternatively you could take the team for an adventure to Waiheke Island.
