Instructions for the PC walk-through:

- Please ensure that you open the links via Google Chrome.
- Please click on the links above for the space you wish to view.
- For more information [click here](#)

Instructions for the 3D walk-through:

Please view the hotel in 3D with our branded 3D goggles or with your own 3D viewer with your mobile phone as follows:

- Please download a QR scanner/reader app and scan the QR code of the space you wish to view.
- In the bottom right hand corner of the walkthrough is a VR image which you will need to click on 

- Viewing a space in VR with your phone requires the Matterport VR app. Click on the Enter VR at the bottom right hand side, then click the Get The App link and proceed to download the Matterport VR app. Alternatively, you can also download the App through your APP store on your phone.
- Please note iPhones might ask you to download an app to streamline the VR experience, a link will pop up with the app that will need to be downloaded.
